Job Description:

Business Description: Block 9 is a forward-thinking and cutting-edge technology solutions firm dedicated to offering a comprehensive range of services to support the growth of businesses. Our highly skilled team of experts can handle all aspects of your company's requirements, including business consultancy, training, graphic editing, web and software development, and business solutions. We also provide managed IT services to keep your technology functioning optimally and digital marketing services to expand your customer base and enhance your brand.

Position: Chief Technology Officer (CTO)

Wage: $95.00/hour

Terms of Employment: Permanent Full Time, 37.5 Hours Week

Language: English

- **Education:** Bachelor's degree (Electrical and electronics engineering, Computer science)

Work Experience: 5 years

Duties:

- Allocate material, human and financial resources to implement organizational policies and programs.

- Authorize and organize the establishment of major departments and associated senior staff positions.

- Co-ordinate the work of regions, divisions or departments

- Establish financial and administrative controls; formulate and approve promotional campaigns; and approve overall human resources planning

- Establish objectives for the organization and formulate or approve policies and programs.

- Represent the organization, or delegate representatives to act on behalf of the organization, in negotiations or other official functions.

- Select middle managers, directors or other executive staff; delegate the necessary authority to them and create optimum working conditions
