## Job Description:

Job Summary:

We are looking for a skilled and detail-oriented Press Printing Operator to join our production team. The ideal candidate will be responsible for setting up, operating, and maintaining printing presses to produce high-quality printed materials that meet client specifications and company standards.

#### Qualifications:

High school diploma or equivalent (technical/vocational training preferred).

Proven experience as a press operator in a commercial printing environment.

Strong understanding of printing processes, color theory, and press maintenance.

Ability to read and interpret job tickets and technical specifications.

Attention to detail, strong problem-solving skills, and the ability to work under tight deadlines.

Physical stamina to stand for long periods and handle materials safely.

#### Tasks:

Mount plates or cylinders and make necessary adjustments

Review job orders to determine production time, colour sequence, and quantities required

Fill ink fountains and control colour and viscosity

Set up the press and operate at a slow speed to check the samples

Monitor regular press run for quality using the computer control console

Remove and clean plates and cylinders at the end of the press run

Set up and adjust in-line binding and finishing equipment

Direct the press crew to set up, operate, and shut down the press

#### Work Environment:

Fast-paced production setting.

Requires lifting paper rolls, standing for extended periods, and working with machinery.

May involve shift work or overtime based on production demand.
