## Job Description:

### About Us

Earth Child Montessori School is dedicated to nurturing each child's natural curiosity, independence, and love of learning. We provide a warm, engaging, and supportive environment where children are encouraged to grow socially, emotionally, and academically. We are currently seeking a passionate and dedicated Early Childhood Educator to join our team and contribute to our mission of providing high-quality early childhood education.

## **Position Summary**

The Daycare Teacher plays a vital role in shaping the foundational years of a child's education. You will create a nurturing, stimulating, and inclusive classroom environment where children feel safe, respected, and inspired to learn.

You will guide children through hands-on Montessori lessons, encourage independent exploration, and support their natural curiosity. The successful candidate will foster development in all areas—academic, social, emotional, and physical—while respecting each child's unique pace and personality.

Collaboration and communication are essential to this position. You will work closely with colleagues and staff to maintain a consistent and supportive learning atmosphere and engage parents as valued partners in their child's education. Patience, creativity, and a strong commitment to the Montessori philosophy of "following the child" are essential.
